ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board (CRB) on the employer's Application for Review (AFR) of a Compensation Order issued on October 26, 2012 by the Hearings and Adjudication section of the D.C. Department of Employment Services (DOES). Also before the CRB is the claimant's motion for reconsideration of the CRB's order granting the employer an extension of time in which to file its memorandum in support of its AFR.

On November 30, 2012, the employer filed a Voluntary Withdrawal of its AFR.

Therefore, the claimant's AFR is dismissed. In light of the dismissal, the claimant's motion for reconsideration is moot.
